## Terms and conditions for the hire of Althorne football pitches

### General

- The pitches available for hire are situated at:

#### Althorne Recreation Ground, Summerhill.

- Application forms for occasional bookings will be forwarded to club secretaries upon request. All applications will be date stamped on their return to the clerk's office and pitches will be allocated in strict order of receipt and taking into account any previous payment record. Preference for the use of Council pitches will be given to teams with playing members who reside within the Parish of Althorne; applicants for pitches must make a signed declaration to this effect. Pitches not allocated to teams with Althorne players will be allocated to non-resident teams.
- Preference is given to junior matches played on Saturday mornings and Sunday mornings, and adult matches played on Saturday afternoons and Sunday afternoons.
- Allocations will be advised by post or e-mail. An acceptance form will be enclosed, which will require signing and returning to the Clerk to the Parish Council.

**Please note: If after signing and returning the form, the hirer decides not to utilise the pitch, the hirer will remain liable for payment unless the Council is able to re-allocate the pitch.**

### Usage

- To maintain a reasonable surface, pitches will only be allocated two matches each weekend and occasional midweek games, at the discretion of the Council or its Sub-Committee.
- The season extends from the first Saturday in September to the last Sunday in April. The season may be extended at the discretion of the Council or its Sub-Committee if too many fixtures have had to be cancelled due to bad weather and state of the pitches during the playing season.
- Christmas Close Down - Please note that pitches will not be available on 25th or 26th December.
- The Council operates a system of occasional bookings. Teams may book pitches for individual Matches subject to the following conditions:
  - The total hire fee is due upon a booking being confirmed. Fees are payable in advance of play.
  - No refunds will be given for any pitch that is not used.

## Terms and conditions continued.

### Hirer's Responsibilities

- The hirer shall use the pitch only as a football pitch.
- It is the responsibility of the hirer to fill the holes and divots to bring the pitch to a playable standard.
- The hirer is responsible for marking out the pitch using either their own equipment or the Council's line marker.
- The supply, erection and return of goals for mini soccer, corner flags and nets is the responsibility of the teams booking the pitches.
- The hirer shall not use the pitch in such a way as to cause any nuisance, damage, disturbance, annoyance, inconvenience or interference to any neighbouring or adjoining property.
- The hirer is responsible to ensure that both home and away teams do not cause annoyance to residents using other areas of the recreation ground, and that parking is controlled to ensure maximum use of the car park. Until an overflow park is established, vehicles not able to park in the car park should park on the highway in such a way as not to create a hazard to other road users.
- The hirer shall not do any act, matter or thing which would or might constitute a breach of any statutory requirement affecting the pitch or which might or would make invalid in whole or part any insurance held by the Council in respect of the pitch.
- Hirers are warned that the charges do not include the cost of insurance against their liability for any damage or injury which their activities may cause either to themselves or to other persons or property and they should themselves insure against these risks.
- It is recommended that the hirer obtains public liability insurance, to a minimum value of £5,000,000 (£5 million), to protect against all claims arising, other than that due to the Council's negligence. Such cover may be independently obtained from insurance companies, but it may be possible to achieve cover through affiliation to a sporting body for a reduced fee.
- Team secretaries should make themselves familiar with arrangements for contacting emergency services and notify the Council of serious injuries sustained by players (of either team).
- Sub-letting is not allowed without the prior written permission of the Council.
- Changing room keys must be collected and signed for in the presence of the Clerk or other Council official. Unless otherwise agreed by the Clerk or other Council official, keys are to be returned immediately after a match; otherwise a fine of £60 for a replacement lock will be imposed on the home team for any key not returned.
- The home team will be charged for any damage to changing rooms, toilets or other Council property, however incurred, regardless as to the damage being caused by the away or home team. Those teams using changing facilities must ensure that they are left clean and tidy, and lights and water are turned off and doors are locked. Before leaving the grounds the home team is responsible to ensure that any litter left on the field by either home or away teams or fans is collected and disposed of. Litter bins are provided adjacent to the car park. Failure to comply with these requirements may result in the withdrawal of facilities.
